## EXPERIENCE

---

**IT Support Manager** | *Visionary Homes*

Oct 2023 – Present

- Lead IT for 100+ employees and manage the company's third-party IT services provider as its main point of contact
- Built an onboarding matrix covering 75+ job titles, each with its own custom process, that automates Asana to populate onboarding and offboarding checklists
- Standardized the company's mobile carrier account and phone system, and documented both so they are consistent and easy to support
- Serve as project manager for IT initiatives in Asana, including company-wide hardware rollouts
- Administer Jamf and Apple Business Manager to enroll, configure, and manage 100+ macOS, iOS, and iPadOS devices
- Manage the full device lifecycle for macOS, iOS, iPadOS, and Windows devices, from provisioning and deployment to support and retirement
- Write clear, well-structured IT documentation and internal wikis in Markdown, and train staff in troubleshooting and self-service
- Provide help desk support and manage IT hardware inventory

**IT Manager** | *Kimberbell*

Feb 2023 – Oct 2023

- Led a team of web developers and IT specialists, providing direction and final technical decisions
- Oversaw the critical business systems and websites used by 120+ employees
- Upgraded, troubleshoot, and supported Windows and macOS computer systems on-site

**Web Developer / IT Specialist** | *Kimberbell (promoted to IT Manager)*

Mar 2022 – Feb 2023

- Built accessible (WCAG), responsive e-commerce websites and supported Windows and macOS users on-site

**Property Owner & Manager** | *SunPlex Properties*

Aug 2016 – Present

- Own and manage a 4-unit apartment property, including tenant screening and legally compliant leases

## BOARD LEADERSHIP

---

**Board of Directors, Head of Public Relations** | *Recovery Cafe (nonprofit)*

Oct 2023 – Present

- Represent the nonprofit at community events; as Board Secretary (2023–2024), chaired meetings and kept records

## EDUCATION

---

**Associate's Degree** | *Utah State University*

Dec 2024

- Secured \$240K in accessibility funding through independent advocacy; elected to USU Fee Board (nearly 30K students)

**Certificate, Full-Stack Web Development (Ruby on Rails, React.js)** | *DevPoint Labs*

Feb 2021
